**TWA SPRING DINNER AND INSTALLATION**

Spring is in the air and we are planning our final event for the year. Please join us for "WE'RE BLOOMING" as we acknowledge our involved membership and install the new 2017-2019 TWA Board. The Ethel W. Kendis Outstanding Service Award will be presented as past recipients help us congratulate this year's awardee. We will also recognize our first TWA Youth Leadership Merit Scholar. Congratulations to all TWA board members for their continued service and to our award recipients.

**NA'AMAT USA To Honor Rabbi Rosie**

We invite you to join our Temple and TWA community as we support our own Rabbi Rosie in this wonderful tribute. Our sisterhood had two tickets for the VIP reception held before this event. Cyndi Wilson had the honor of drawing names. The winners are Diana Shall and Michelle Rogoff. Congratulations ladies! Tickets are still available. Contact Gaylee Cweiber at NA'AMAT USA for more information at 216-321-2002 or [naamatclev@gmail.com](mailto:naamatclev@gmail.com).

**TWA Interfaith, Intergenerational Seder...****A HUGE Success**

If you were there, you know what we mean. The night ended with members and guests all feeling a part of our warm, welcoming TWA community. What made this night such a success? Great organization and exceptional support from our members. The contributions from gefilte fish and charoset to tasty matzah ball soup, lemon sorbet and delicious Passover bakery were remarkable. Rabbi Rosie, Cantor Kathy, our table hostesses including past TWA presidents, and readers both members and nonmembers, all shared each part of the Women's Haggadah in a most memorable manner. Seventeen guests of Cyndi Wilson from Hope United Methodist Church, members of the Turkish Community and other faith based organizations throughout the city all embraced the wonderful spirit of our TWA sisterhood. In addition, Rabbi Block and Rabbi Klein along with eight supportive husbands added their own chic tradition to the evening. *A Special Thank You* to everyone who participated.

**TWA's First Youth Leadership Scholar  
MATTHEW WEISMAN**

This year TWA established a new Youth Leadership Endowment Fund and Matt Weisman was chosen as our first recipient. Matt is a remarkable young man. Join us at our Spring Dinner on May 17<sup>th</sup> to learn why this terrific young man was chosen as the recipient of our first leadership award.
